Sir,

pp. 1-2 ante

With reference to Government Memorandum No. 3394-III/25-1 dated 20th November 1925 I have the honour to state that the proposal of the Entomologist is to grant both fixed Travelling Allowance and the ordinary Travelling Allowance to the Revenue Inspector. His jurisdiction was first Mangalore Town and then extended to Mangalore Taluk and later on to other taluks. He was compensated for the extra journeys and the method of calculating the Travelling Allowance was as follows. He was not granted any extra daily allowance for journeys by rail or road outside Mangalore but was

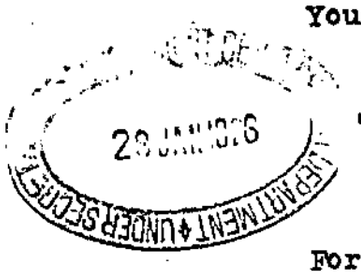
allowed the ordinary Travelling Allowance admissible under the rules after deducting Re. 1/- being the fixed Travelling Allowance for each day from the allowances claimed by him. Government may fix the Travelling Allowance that is proper in this case.

I have the honour to be,

Sir,

Your most obedient servant,



For Director of Agriculture.
